I certify that all information presented in this application is true, complete, and accurate. I further understand that Phoenix Seminary reserves the right to reject applicants for any reason which in its sole discretion, it deems appropriate.

I understand that enrichment courses are not transcribed or transferred as academic credit. I understand that as an enrichment student, I should ordinarily not participate in the classroom discussion unless invited to do so by the professor, and that I must be respectful of the fact that class time with the professor is limited and priority needs to be given to credit students. I also understand that professors reserve the right to dismiss enrichment students who are disrespectful and disruptive in the classroom.

I understand that all tuition and fees are due no later than the first class session, and will only be refunded in accordance with the *Fee Schedule* in effect for that semester. I also understand that I am required to obtain a parking permit and building access device before the first day of class.
